We are committed to ensuring you have an amazing experience during your time with us. Preparing you for wherever life takes you once you have completed your course with us, whether into employment, a higher-level apprenticeship or degree level study.

Our amazing teaching team, many of whom have first-hand experience of working in industry, are looking forward to working with you to develop your skillset, knowledge and capability.

**We can't wait to start on this learning journey with you!**

## Feeling comfortable on campus

**We know starting at a new place is exciting, but it can also be a bit daunting. Just remember, it will be new for everyone!**

To help you settle in during your first couple of weeks, we will have lots of activities to help you make friends and feel right at home. We'll also give you advice on important things like where the toilets are and where you can eat.

We also have a fantastic Student Services and Wellbeing team who are there if you need a little more reassurance. During your first weeks on campus, we'll explain to you how you can access the team and where to find them.

**Any questions, please get in touch!**

Our friendly team are happy to answer any questions you may have. Please email: [enquiries@riseholm.ac.uk](mailto:enquiries@riseholm.ac.uk) or call on 01522 304600.
